The World's Best Music Recording Magazine

## Submitting artwork to Sound On Sound via ftp

There are 2 methods of submitting artwork to Sound On Sound magazine via ftp.

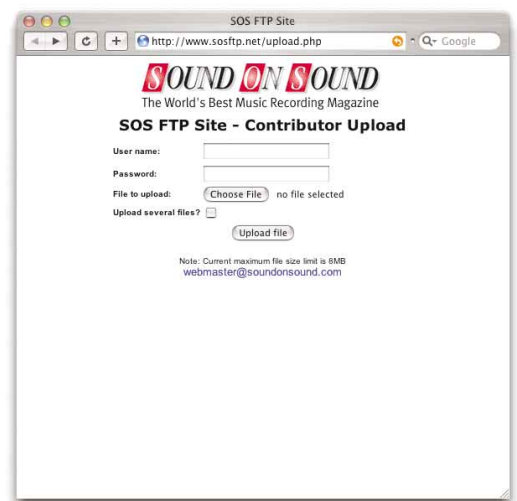

Method 1 is using an internet browser. This has an 8Mb limit; anything larger than 8Mb will result in an error and the file not being delivered.

Method 2 is using conventional ftp software such as Fetch, Transmit or your built in Windows software. This option has no limit on file size.

### 1 Submitting artwork via an internet browser (8Mb Limit)

1. Go to address: **www.sosftp.net/upload.php**
2. Enter user name: **ftp.upload**
3. Enter password: **artwork**
4. Click on the **"Choose File"** button and select the file to be uploaded
5. Click on the **"Upload File"** button
6. Once your file has finished uploading you will see a red message telling you your file has been successfully uploaded.

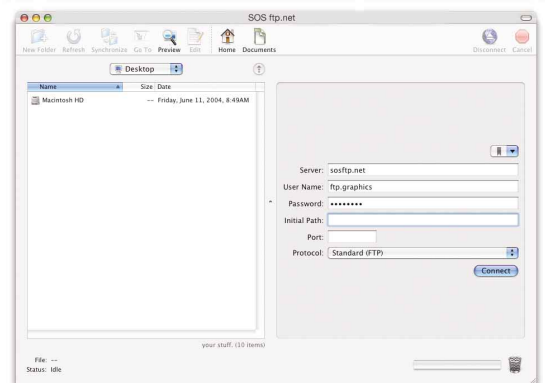

Please note that the details provided are caps sensitive and should all be lower case.

### 2 Submitting artwork using ftp software

1. Enter server address: **sosftp.net**
2. Enter User name: **ftp.upload**
3. Enter password: **artwork**
4. Click on the **"Connect"** button
5. Select file to be uploaded

Please note that the details provided are caps sensitive and should all be lower case.

**Please upload single files only, not folders containing your files.**

If you encounter any problems please contact Andy Brookes or the Webmaster. (See details below)
